

Celebrating Woodside Primary School

15th March-19th March 2021

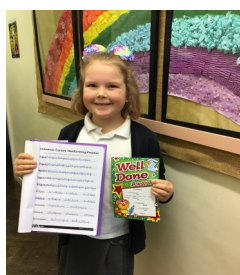

Dear Parents,

Welcome to our second edition of a weekly celebration newsletter. This week the children have been experiencing a new resource called Now Press Play that Woodside has been able to purchase as a result of our partnership with Steam mills. Now Press Play is an immersive audio resource that engages primary school children in the curriculum through emotion, imagination and movement. Every child is given a pair of wireless headphones. Immersed in sound, they become the main character in a story, meeting people, discovering places and solving problems on an educational adventure they'll never forget. Take a look at Red Squirrels enjoying this new resource. Don't worry all the other classes are going to soon experience Now Press play as we have a year's worth of resources to work with.

Red Squirrels were the first to experience Now Press Play with the theme of rainforests.

"It was the best virtual experience I've ever had."

"I have a great imagination and it enabled me to envision all of the rainforest as I wanted to see it."

"I loved doing all the actions - particularly ducking and dodging."

In our Celebration Assembly, Alys read out her water cycle story. She wrote it after the class had a 'Water Cycle' Now Press Play session and Miss Waugh said they all used the fabulous vocabulary they had listened to.

Congratulations to Harry, Jensen, Darcie, and Danny for demonstrating positive and happy thoughts that make us feel good.
