

## Celebrating Woodside Primary School : For the Week Beginning 18th October 2021

Dear Parents,

It was lovely to see the children return from half term holidays and we all enjoyed celebrating their achievements from last term. The children were excited about the Trick or Treat dinner menu on Monday and those that ordered hot dinners on that day who were lucky enough to find a sticker on the bottom of their plate won a prize. More prizes could be won again very soon so don't forget to order your hot dinners.

Mrs Fawkes, Deputy Head Teacher

**Little Dormice** have been busy learning about different celebrations. They have been making playdough and adding glitter to make it look like fireworks! Mark making on the cardboard - lots of talking between them and giving each other compliments about their drawings. In the nature area the children have been exploring and noticing the change in weather and the world around them. They have been looking at pumpkins - getting very messy and exploring textures.

**Woodpeckers** enjoyed An assembly all about road safety last term.

**Red Squirrels** before the half term they have been working in teams to create these beautiful wire sculptures.

**Thank you** to our whole school community for donating so much to the food bank for Harvest. We have received this certificate from The Forest Foodbank who were very pleased to receive the donations. Thank you to David and Mrs James who delivered the donations to the foodbank too.
