Little Dormice have really enjoyed the sun last week, talking about springtime changes. Our story this week was 'What the ladybird heard', so we have been talking lots about farms and the farm animals. We do hope all the mummies loved their daffodils, the children planted them and wrote cards.

Dormice have also enjoyed the changing weather. We have enjoyed playing with the water on sunny warm days and noticing the ice on colder days. We have shared pictures from our past, enjoyed writing and been working hard practising our robot arms and blending in phonics.

Fallow Deer have been enjoying developing their science skills and naming body parts.

Woodpeckers Children in Woodpecker class have had a busy week finishing our story The Cloud Tea Monkeys and researching facts for a report on tea. In maths we have been revising division facts and how to divide by 10 or 100. We've enjoyed playing outside on the field.

KS2 The girls football team represented Woodside wonderfully last week in a football tournament. Well done girls.
