Celebrating Woodside Primary School : 24th June 2022

Dear Parents,

We are celebrating Red Squirrels Class this week and they have been enjoying so many aspects of the curriculum, just take a look on the next page. Congratulations to Zea out Caterlink cook. She has been awarded the 5 star food standard hygiene rating. The children do enjoy their dinners, especially the packed lunch on a plate option which they can take outside for a picnic when it is sunny.

Red Squirrels have been super busy recently. PC Greg Steer visited for the final installment. Over the year he has given talks about various topics such as internet safety.

They have thoroughly enjoyed learning about volcanoes designing and making them out of papier-mâché which they painted and exploded !

Red Squirrels have also been busy modelling Egyptian death masks with clay and completing electricity circuits experiments in science.
