Red Squirrels: Temima and Carlos

**Little Dormice** have been busy making beautiful poppies, building 'a big city', working on great team work and friendships. There have been lots of mark making opportunities. 'I have drawn Christmas dinosaurs and they are all so kind'.

**Dormice** enjoyed a class trip to the Birds of Prey Centre in Newent. They have been reading Owl Babies and wondered what types of owls live in our local area. They found out all about Barn Owls and Tawny Owls. A member of the public came over to say how well behaved they were so the whole class has had a certificate today.

**Woodpeckers** have been keeping an eye on COP 26 news in recent weeks. They have decided they want to do something that can support our school to be more energy efficient and have been creating these posters to remind other children and adults to switch off lights and to recycle more.

**Red Squirrels** have been testing materials and their properties in science.
