

Celebrating Woodside Primary School : 21st January 2022

Dear Parents,

Another busy week has gone by and the children have been experiencing a wide and varied curriculum. We also enjoyed a lovely Celebration Assembly on Monday, we shared the successes from the week with our certificates. Mrs Davis gave a very interesting assembly on Martin Luther King to support our Golden Thread of Learning.

Little Dormice The children said that when they get cold the best way to warm up is to have some hot chocolate so we made a Hot Chocolate Cafe! We read Cave baby by Julia Donaldson and the baby in the story was very creative, the children wanted to make their own display in the hut.

Dormice have been weighing and using language of heavier and lighter in maths. They have also been bringing in their favourite stories from home because we love to read in Dormice.

Woodpeckers class gave presentations about sound and how it travels. In art they used charcoal to produce work in the style of Henry Moore.

Fallow Deer Using Rekenreks and equipment to help with Mastering Number games.

Red Squirrels have been taking their feather and bird sketches and printing them using quick print tiles and ink.
