

Happily to School 2022

The aim of this booklet is to welcome you to Woodside and answer any questions you have about your child starting school. It contains additional information to that found in our Prospectus and we hope it will be particularly useful to parents whose children are coming to school for the first time.

Contents

- Page 3 *Our School ethos and the school day*
- Page 4 *Learning*
- Page 5 *Drop off and Pick up and Absences and School Closures*
- Page 6 *Milk, Snacks and Dinner time*
- Page 7 *Uniform and Medical Information*

School Ethos

We strive to establish a caring community, whose attitudes and values are built on mutual trust and respect for all. Our intention is that every member of the school community feels valued and respected, and that each person is treated fairly and well. We promote an effective learning environment, so that everyone can feel happy, safe and secure. We endeavour to show compassion, understanding and good manners in all that we do so that Woodside School and all the people within it are proud of where they belong.

Classes

Little Dormice - Pre-school (2-4 Years old)

Dormice – Reception

Fallow Deer – Year 1 and Year 2

Woodpeckers – Year 3 and 4

Red Squirrels – Year 5 and 6

The First Few Weeks in Dormice class

We set up a daily routine as soon as your child starts in Reception. Below is a table of what a typical day in reception class looks like.

Time	Activity
9.00am	Enter through school gate.
	Register and activities
	Phonics (Essential Letters & Sounds)
	Session one with a numeracy focus
	Story time
10.30-10.45	Playtime
	Session two with a literacy focus. In this session I may cover writing and reading skills and phonics.
12.00-1pm	Lunchtime
	Session three: this session focus will vary throughout the week depending on the children's interests. One day it may focus on nature, the next arts.
2pm-2.15pm	Playtime
2.15-3.00pm	Reflection time/assembly then home.

Learning

Your child's interests play an important part of the Early Years Curriculum. Play is scaffolded by an adult and is very different to the provision in Little Dormice. Almost all people learn best through hands-on, active learning and it's a well-established fact that young children learn best this way. In our setting we aim to provide varied activities, both child and adult lead and enabling environments to meet the learning needs of all our children.

Dormice class have regular welly walks in our nature area, school grounds and learn outside in all weather. Don't worry, the school will provide waterprooofs and footwear for the children to use.

Reading

A child who has learned that reading is a pleasurable activity is a child who will be motivated to learn to read.

Our children are encouraged to take their reading books home each night to share with their parents. Please ensure that the book is returned each day. Class teacher will provide advice on how best to help your child with his/her reading. The first reading books the children bring home will not have words in them. They are designed to make the child aware that stories have a beginning, a middle and an end, by telling stories through pictures. Phonics books will be sent home as soon as your child is ready to read them.

From the earliest age, read regularly to your child and keep this up even after they have learned to read. Share books, so that they can look at the pictures and eventually at the words. It is invaluable to make reading "something we do together". Make a habit of enjoying a bedtime story together. Well-loved stories add to a child's sense of security.

Please can your child bring in a book bag not a rucksack. We have very limited space in the cloak room. Book bags are available in our school colours these can be purchased from School Trends

Drop off and Pick Up

We ask all parents to make sure that their children do not arrive in school before 8.40 am as we cannot be held responsible for mishaps or accidents which occur before this time.

If someone "different" is coming to collect your child, please inform the class teacher or office.

At home time, parents wait outside the main school gate until the class comes out. Children will be personally handed over to their parent/carer.

If you collect your child by car at the end of the school day, please drive very slowly in the vicinity of the school and remember that a one-way system operates in the morning and at the end of the day (drive down the hill with the school on your left and continue around as you depart). **Please do not double park outside school** as this hinders visibility and could easily cause an accident.

Absences and School Closures

Reasons for being absent are regarded as **authorised**: -

- Illness, minor ailments, coughs and colds
- Receiving part-time or temporary education at an off-site unit
- Family bereavement
- Medical or dental appointment
- Day of religious observance
- Absence of school transport for an entitled pupil
- Participation in an approved public performance
- School closure (i.e. due to snow)

There may be other circumstances when it is reasonable for the school to allow leave of absence, otherwise the absence is UNAUTHORISED. Attendance is monitored closely by the Educational Welfare Officer on behalf of the Local Authority and they will follow up cases of excessive absence whether authorised or not.

All absences are recorded electronically and coded according to the reason you give us for the absence. Parents are asked to notify the school before 10 a.m. on the first day of absence and to keep the school informed if the absence continues for more than 2/3 days. This can be done by telephone. If your child is absent and we do not hear from you then we will try and ring, where possible, throughout the day.

Lateness is also recorded and monitored so please try and make sure that your child is at school on time so that they can start the day in a relaxed and happy state, ready to learn.

In the event of school closure (this is most likely to happen if it snows), please look at the school website or school App.

Or our school website: www.woodside.gloucs.sch.uk

Milk and Snacks

If you would like your child to have milk, **we have enclosed the leaflet explaining what you have to do.** Milk is available free for children up to the age of 5 afterwards you need to pay for milk.

Children may eat fruit at play time. Classes 1 and 2 are provided with fruit free of charge through a scheme. Please do not send sweets, chocolate or sweet biscuits.

Dinner time

Hot meals are provided **free of charge** for all reception and Key stage 1 children, alternatively they can bring a packed lunch. We do request that you do not give them items such as 'winders' or yoghurt in containers that they have to suck. These may be fine for home but not suitable for school as the children find them very difficult to unwrap and eat nicely.

Children whose parents are in receipt of Family Income Support are eligible for extra funding. Please contact the office to get the necessary paperwork.

Top Tip: Try to ensure that your child can use a knife, fork and spoon and that he/she is in the habit of washing hands before a meal.

Uniform

We encourage the children to wear our school uniform. It is economical to buy and looks extremely smart. We do hope that you will support us in this and send your child/children in the school colours. Uniform is available from the School Trends of Myclothing – online orders

www.schooltrendsonline.com

Myclothing.com/Woodside-primary-school/13925.school

Please ensure all items of clothing are named.

P.E. Uniform

At the beginning of term, a letter will inform you of when we do PE in Dormice Class. Each child will need a pair of daps (slip on variety please). Emerald Polo

Shirt, shorts and draw- string bag, these can be purchased from School Trends (schooltrendsonline.com). Please note the statement in the Prospectus regarding the wearing of jewellery.

Medical Information

In your welcome pack, we will distribute to all the parents of the Reception children a Pupil Information/Data Collection sheet in which you will be asked to answer questions about your child's health and well being, so make sure that you complete them and return them to the school office. Please ensure that we are informed of any medical information which may affect your child at school by completing the admission form which we send out to parents. This information needs to be kept up to date throughout the time your child is at Woodside School.

Please note: - **WE ARE NOT NOTIFIED OF ANY MEDICAL INFORMATION CONCERNING YOUR CHILD BY OUTSIDE AGENCIES. WE WILL NOT BE AWARE OF ANY CONDITIONS UNLESS YOU TELL US.**

Medicines will only be given to children when it is absolutely essential*. If your child is taking antibiotics, then make sure you ask the doctor to prescribe them in such a way that they can be effectively given before and after the school day. Classrooms are very busy places and inevitably the teacher forgets send the child for the medicine at the required time or often ends up with the medicine overnight because the child has forgotten to take it home.

* With the Administering Medication form being filled out (in School office)
