

Hello Year One & Year Two,

I hope you've all had a good week and I hope you have enjoyed some of the home-learning. I'd love to see some more photos. I have spoken to a few of you on the phone during the last week and lots of you have been playing with toys you haven't played with for a long time! The weather has been a little cooler hasn't it? Me and my children have still enjoyed the garden! Our vegetables are growing so fast!! Please keep sending the emails with photographs as myself, Mrs Oliver and Mrs Fawkes love to see them. (fallow-deer@woodside.gloucs.sch.uk)

I have added a few photos for you to see our vegetable plants. We grew them from seeds and have taken very good care of them. Mr Jeavons even made me a trough out of old wood to put the tomato plants in. Millie's sunflowers are bigger than her now! Our sunflowers are in the green house but we'll plant them out this week. Each week I will write a letter to you on here and it would be lovely to include photographs of different children each week.

Mrs Fawkes, Mrs Oliver, Mrs Hoare and I miss you lots and we are looking forward to when we are all able to be together again.

Stay alert and stay safe!

From Mrs Jeavons

Home learning for the week starting 15th June

English

Reading: Aim to read every day! Read books you have at home, even the tricky ones can be shared with someone at home. The BBC have lots of online audio stories which are added to each week and a lovely variety for your children to choose from www.bbc.co.uk Read online books using www.booktrust.org.uk or www.oxfordowl.co.uk or www.freechildrenstories.com and www.twinkl.co.uk has some great stories as power-points with comprehension questions to go with them which are great – just select the year group and get going!

Spelling: Continue to work on the common exception words for Year 1 & 2.

[T-L-5089-Common-Exception-Words-Years-1-and-2-Word-Mat_ver_3.pdf](#)

As your child grasps the common exception words encourage to use them in a sentence and in their writing. These are the most useful words to learn but if you want to work on some phonics (sounds) use this site to do this too. Phonic games on www.phonicsplay.co.uk would be useful and fun. There are also plenty of things on YouTube. Pick a sound and you'll find a video!

Phonic focus for Year One: words containing ai/a-e/ay

Phonic focus for Year Two: words with ing added to them

Writing: We have continued our work on the Queen this week and have enjoyed some different writing opportunities – fact files about the Queen, a description of Buckingham palace and a list of fun facts! Remember....Aiming to write a sentence a day would be great. Remind your child to include a finger spaces, capital letters and full stops. Year 2 children don't forget the other punctuation you have learned (comma's, exclamation marks, question marks and speech marks) and also those connecting words (because, but, then, also, so, and) You could keep a diary, write a recount of something you've done, write stories or make an information booklet. www.robinhoodmat.co.uk has lots of writing ideas to help you at home. I'd love to see some of these writing examples via email please!

Maths

White Rose is the website we base all of our school Maths lessons on and this is very easy for you to use at home too. There are daily videos and follow up worksheets you can print off for your child in their specific year group. Click on the links below to find the videos and the worksheets.

Year one's are going to be learning about arrays, doubles, sharing and grouping and Year two's will be reinforcing their knowledge of 2D and 3D shapes.

Year One Videos for the week:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/05/Lesson-4-Merge-2D-and-3D-shapes.pdf>

Science:

I have noticed how many beautiful bees are in our garden especially around the wild flowers and some flowering ground cover plants. They are fascinating creatures! I have attached a lovely file here for you to enjoy and learn more about Bees!

<https://www.twinkl.co.uk/resource/all-about-bees-resource-pack-ks1-t-tp-2549914>

Time to get creative!

Anything Arty and creative about bees!

Mummy or Daddy could look on Pinterest for ideas – there are 1000's!

CHALLENGE: Can you bake something this week?

Don't forget to send me photographs and emails using the fallow-deer@woodside.gloucs.sch.uk address.

Happy Learning!
