

Little Dormice Class 2022

Welcome to our first newsletter of the year. We hope you have had a lovely summer! We have had a wonderful first few weeks getting to know each other.

Please meet one of the Early Years team at the main gates 8.50am

Pick up is 11.50
12.50 by the main office &
2.50 in the main gate.

Our Early Years Team

Your child will be supported in their learning by a number of adults. My name is Mrs James, we also have Mrs Freeman-Price & Mrs Price. We will be running the EYFS provision in the hut all day.

Autumn Term
Autumn / Who Am I?

Please could you...

Make sure that you put your child's name in all pieces of clothing and lunch boxes and bottles. We do our best to look after your child's belongings but every term we find that our lost property box is full.

Send in a spare set of clothes and underwear in a labelled plastic bag. We will put the spares on their box so if there are any accidents we can access them. We love messy play in Little Dormice and often get wet despite using waterproofs!

Don't forget...

- Your child will need a healthy snack for morning break. Free fruit is now available at school however this is limited choice.
- If you do have spare pair of wellies to leave in Little Dormice that would be really helpful. We love going outside and it's going to start to get wet and muddy!
- You should have access to Tapestry which is your child's learning journey. Any problems let me know. Please could add lots of photos throughout the term, for your child/children to talk about with their friends. There is a lot of vocabulary that gets used whilst talking about family/friends and experiences in different environments.
- You can contact us with any questions on, littledormice@woodside.gloucs.sch.uk If the matter is urgent contact the school office.

Through September and October, we will also be discussing;

Harvest, Black History Month, reading challenge & Space week

Through November and December, we will be discussing;

Diwali, Bonfire night, Remembrance day, Nursery Rhyme week & Christmas!

Planning in the moment:
Following children's interest.
The continuous provision in the classroom is designed so that the children can practice the new skills they have learnt from play. The children will access both indoors and outdoors provision. The curriculum is very child led and allows explorations through all areas.
