Our golden threads are Vocabulary, Knowledge of the World and Diversity.

This week there have been lots of assessments going on so a really good opportunity to share our knowledge. Children in Woodpecker class have continued with their art work, finding out about Rembrandt and creating portraits with pencils and erasers. Children in Red Squirrel class have been finding out about life in the Stone Age and how we survived. Dormice children have been enjoying their PE sessions outside, developing their coordination and strength.
