15 07. 2022

This term's school value is *Courage*

Please see below for information.

## REMINDER

Can all parents/carers please ensure that children come to school prepared for hot weather with Sun cream, Hats, Water bottles etc.

**Monday 18th July** we will be holding a water play session on the morning for the whole school. Children need to come dressed in clothes and shoes suitable for getting wet (swimming costume with shorts and T-shirt over is ideal). They will need a towel and a complete change of clothes (uniform) including shoes. Children are welcome to bring any small sponges or water toys. Please make sure sun cream is applied before school.

## Residential

Well Done Red Squirrels, your enthusiasm and participation on the residential trip was exceptional, especially in the heat. Thank you to the staff for making this possible. The children took part in abseiling, crate stacking, low and high ropes and bush craft. Great Fun was had by all!

## New teacher

We will be welcoming Miss Cork to the school in September as the teacher in Dormice class. Miss Cork has a wealth of experience in EY education and can't wait to join us! Arrangements are being made so that children and parents can put a face to her name before the summer break.

## Outcomes

Well done to all children and staff for their efforts throughout another challenging school year! We commit to providing a rich and varied curriculum (e.g., visitors, trips, sporting events as well as the curriculum in each subject) and to our caring ethos. Working with colleagues in other schools and through our WGSP partnership has been rewarding and National assessments show that Steam Mills and Woodside Primary Schools continue to do really well compared to Gloucestershire and National standards. Please see the website for details (Parents' Info-Results). Well done everyone!

We would like to take this opportunity to wish everyone a very happy and safe summer break. We send good wishes to the year 6's who are embarking on the next stage of their education and we look forward to welcoming our reception children.

The Autumn term will begin on Tuesday 6th September 2022.

## Term dates:

### Term 6

6th June to 20th July
