This term's school value is tolerance

What a long term that was! Children have enjoyed all sorts of different activities including: cricket sessions, swimming, new books in our school library, Young Voices concert, yoga, Hindu workshops and stories and cups of tea. Thank you to everyone who replied to our parent feedback questionnaire, we do appreciate your comments. We hope you enjoy a well deserved half term break.

Pro-Stars of the week: Noah & Lexi

Golden Threads

We have 3 'Golden Threads' which are woven throughout our curriculum: Vocabulary, Knowledge of the World and Diversity. In our History, Geography and Science topics in particular, we complete vocabulary banks to help us learn new words and their meanings. Our work on different religions has helped us with our work on diversity, many of us have been finding out about Hinduism this term and we welcomed a visit from Daxa who shared her beliefs and cooking with us. We often share stories and books in assemblies and class that help us develop tolerance and understanding of attitudes that might be different to our own. Our Knowledge of the World is developed in lots of different subjects. This term children have been finding out about India, Turkey, Ukraine and comparing their landscapes to our own country. Parent's evenings will give you a really good opportunity to see how your child is developing with these 'golden threads' in different subjects.
