Covid Information from DfE: From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6. The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace. If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Face masks must be worn if you enter the reception area. Thank you

Promoting Diversity

Here are some special days in Term 3, which different classes will be talking about in our Zoom assemblies. We are purchasing a fantastic range of new books to help children learn more about different cultures, places, people and beliefs.

16.01.22 World Religion Day

World Religion Day is an opportunity for people of different faiths to celebrate similarities between different religions and to promote understanding and harmony. The day was established in 1950 in Portland by people of the Baha'ia Faith and was originally called 'World Peace Through World Religion' day. Baha'ias believe that all humans are born equal and that everyone should have the same rights.

17.01.22 Martin Luther King Day

As a Christian, Martin Luther King Jr believed in equal rights too and we learned about his 'I have a dream' speech. We reflected on fairness and unfairness. As a civil rights activist, he campaigned for improved rights for all, to try to make all people equal. In 1964, he was awarded the Nobel Peace Prize for his work to end racial prejudice in the United States and the law was changed so that everyone could vote. Woodpeckers class will learn more about this, ready to present to our assembly on 4th Feb.

1.02.22 Chinese New Year-Fallow Deer to lead the assembly

4.02.22 Rosa Parks Day-Woodpeckers to lead the assembly

14.02.22 Random Acts of Kindness week

15.02.22 Nirvana Day Buddhism-Red Squirrels to lead the assembly

Our curriculum

Spring term overviews are on our website class pages, so that you can see what your child will be learning this term

We have three main 'drivers' or Golden Threads which run through our curriculum. These are overarching themes which we feel are important to our school context and children's needs. They are **Vocabulary, Knowledge of the World and Promoting Diversity**

How can you find out more about these three important Golden Threads? Please see the class pages on our website for termly maps about the texts used in English teaching and the subject specific 'knowledge of the world' taught.

The main curriculum tab has information about the wider curriculum, including:

Mrs Fawkes' Celebration Newsletters are a great way for you to see some of the activities on offer.

Holiday Free School Meal Voucher Scheme

This February half term, Gloucestershire County Council is providing vouchers to parents who have signed up to our Holiday Free School Meals (FSM) scheme. These vouchers are provided by Gloucestershire County Council as part of its commitment to 'no child goes hungry'. The vouchers are funded through COVID-19 grant funding we have received and is separate to that of the term time free school meals.

Parents who have signed up to the scheme will receive a voucher for £15 for each child who is eligible for FSM which will cover the February half term week. The scheme is eligible for children aged 4-16 years old. Unfortunately, we are unable to consider college and sixth form students.

Parents who have signed up previously do not need to re-register, they have already been included, but, to ensure we get all who are eligible, we are encouraging new parents to sign up as soon as they can.

Applications for Holiday Free School Meal Vouchers for the February half term period is now open until the 14th February. Voucher emails will be sent out between **15th and 16th of February**. Please check junk/spam email folders during this period as sometimes the vouchers end up there. If you have not received vouchers by then please get in contact with us by emailing childrensfund@gloucestershire.gov.uk.

For more information and to sign up if you haven't already please visit our website: the [Holiday School Meal vouchers page on](#) our website.
