This term's school value is **tolerance**

Welcome to Mr Martin (Red Squirrels) and Miss Keeling (Dormice), PGCE teacher students. We look forward to seeing Mrs Carpenter in Red Squirrels next week, too.

INTERact!

Aged 7-11? Looking for something new and fun to do during February half term?

Join us for a series of FREE half-day performance workshops in Lydbrook!

Designed specifically for children in Key Stage 2 (aged 7-11) and led by experienced children's theatre director Stevie Thompson, our InterACT workshops offer an exciting opportunity to explore, create and connect through improvisation, performance and play.

Information for parents/carers:

Each workshop series runs for five days during **February half term** (Mon 21 to Fri 25 Feb 2022), with a **choice of morning or afternoon sessions** (10am-12pm or 1pm-3pm) all held in Lydbrook Memorial Hall.

The workshops are fully inclusive and any additional access requirements can be accommodated - please contact us if you would like to discuss your child's specific needs.

To book, email contact details, available days, preference for morning or afternoon, and the names/ages of participating children to hello@wyldwoodarts.co.uk or complete the form: <https://forms.gle/h65RQfGkn49Lpc1J8>

Promoting Diversity

Here are some special days in Term 3, which different classes will be talking about in our Zoom assemblies. We are purchasing a fantastic range of new books to help children learn more about different cultures, places, people and beliefs.

16.01.22 World Religion Day

World Religion Day is an opportunity for people of different faiths to celebrate similarities between different religions and to promote understanding and harmony. The day was established in 1950 in Portland by people of the Baha'ia Faith and was originally called 'World Peace Through World Religion' day. Baha'ias believe that all humans are born equal and that everyone should have the same rights.

17.01.22 Martin Luther King Day

As a Christian, Martin Luther King Jr believed in equal rights too and we learned about his 'I have a dream' speech. We reflected on fairness and unfairness. As a civil rights activist, he campaigned for improved rights for all, to try to make all people equal. In 1964, he was awarded the Nobel Peace Prize for his work to end racial prejudice in the United States and the law was changed so that everyone could vote. Woodpeckers class will learn more about this, ready to present to our assembly on 4th Feb.

1.02.22 Chinese New Year-Fallow Deer have been learning about Chinese New Year and the signs of the zodiac. They made some fantastic tigers for Year of the Tiger!

4.02.22 Rosa Parks Day-Woodpeckers to lead the assembly (on 7th)

7.02.22 Random Acts of Kindness week-we wonder what acts of kindness we will be able to spot this week!

15.02.22 Nirvana Day Buddhism-Red Squirrels to lead the assembly

Our curriculum

Spring term overviews are on our website class pages, so that you can see what your child will be learning this term.

We have three main ‘drivers’ or Golden Threads which run through our curriculum. These are overarching themes which we feel are important to our school context and children’s needs. They are **Vocabulary, Knowledge of the World and Promoting Diversity**

We have bought these books to help us to promote diversity!

Reminders:

Woodside's Got Talent!

Does your child have a talent that they would like to share in a whole school assembly? We'd love to hear about it! We are very aware that there are lots of children who take part in all sorts of activities and clubs outside of school but they don't always have the opportunity to share that with everyone else. We would like to share these talents with other pupils; it might inspire others to try something new. So if your child is doing really well with their music lessons, art classes, drama performances or any sporting achievements please let us know. Equally, if your child has a different talent that I haven't mentioned then we'd love to know too!

We will be having a special talent assembly every term where the children will be asked to describe or share their talent. For example, they could play their instrument and explain how they got interested in it, how long they have been playing for, how often they have to practise for and what they are hoping to do next. We will hold these assemblies every term, so if we don't manage to hear about everyone's talents during the first assembly there will be plenty of time later on in the year.

If your child is interested in sharing their talents then please email Mrs Cotterell on her class email: woodpecker1@woodside.gloucs.sch.uk. You will need to give the name and class of your child and briefly describe what the talent is and how it can be shared with the whole school. We will then create a timetable so that everyone can have the opportunity to share their skills.

Safer Internet Day 8th Feb. Please see our website for parent information, which has been updated to include information on Tik-Tok, YouTube, Fortnite and Snapchat.

WORLD BOOK DAY 3.03.22 Details to follow as we are having a whole school theme around a book. Please do not plan costumes yet!

Collecting stamps: Please send in used stamps as Woodpecker class are collecting them for charity

Website based pdfs: Please let us know if you cannot open any documents on our class pages (eg spelling activities). Thank you

Rugby: Drybrook U10's are looking for more players to join the team (boys and girls) Training and games are on Sundays at 10.15am for more information contact Steve at hale87@outlook.com

Holiday Free School Meal Voucher Scheme

This February half term, Gloucestershire County Council is providing vouchers to parents who have signed up to our Holiday Free School Meals (FSM) scheme. These vouchers are provided by Gloucestershire County Council as part of its commitment to 'no child goes hungry'. The vouchers are funded through COVID-19 grant funding we have received and is separate to that of the term time free school meals.

Parents who have signed up to the scheme will receive a voucher for £15 for each child who is eligible for FSM which will cover the February half term week. The scheme is eligible for children aged 4-16 years old. Unfortunately, we are unable to consider college and sixth form students.

Parents who have signed up previously do not need to re-register, they have already been included, but, to ensure we get all who are eligible, we are encouraging new parents to sign up as soon as they can.

Applications for Holiday Free School Meal Vouchers for the February half term period is now open until the 14th February. Voucher emails will be sent out between **15th and 16th of February**. Please check junk/spam email folders during this period as sometimes the vouchers end up there. If you have not received vouchers by then please get in contact with us by emailing childrensfund@gloucestershire.gov.uk.

For more information and to sign up if you haven't already please visit our website: the [Holiday School Meal vouchers page on](#) our website.
