

Summer events

This week, GCC have released Safety, Health and Environment to schools for the summer term which includes the planning of events, pending updated Government guidance. Class bubbles remain and visits to sites must continue to be restricted:

Secondary school transition visits for Y6 pupils: Children will be able to visit their secondary school for transition events under DfE/Public Health system of controls including the wearing of masks, keeping to secure bubbles etc and we are in communication with secondary schools about this.

Sports Days: The current guidance remains that parents/carers should not attend sports days on school sites. Class bubbles need to be maintained for the summer term, however we will ensure that the children experience an adapted sports day event.

End of Year Events: The current guidance is schools should not host any performances with an audience, but to consider alternatives such as recording Y6 leavers' event, subject to the usual safeguarding considerations and parental permission. This may change should the next stage of the Government roadmap pass and guidance gets updated. We will contact Y6 parents in due course.

Parents Evenings: Schools are encouraged to consider alternative means of providing feedback to parents/carers on pupil achievement eg the use of virtual meetings. Arrangements will be communicated through this newsletter in due course.

Community links

Brownies use our school field for their sessions on a Wednesday evening 6pm to 7.30 pm. To find out more:
