

## Reception Home Learning from June 29th.

Dear Dormice,

Hello home learners. Here is this week suggested activities. We are following the same format at school so don't worry you are not missing out.

Take care,

Mrs Fawkes

### Phonics

These are all the sounds we will be revising over the next few weeks. Practice reading them in words and writing them in sentences.

set 8 ch sh th ng

set 9 ai ee igh oa oo

set 10 ar or ur ow oi We are focusing on these sounds this week.

set 11 ear air ure er

Practise writing sentences with the words... I, the, no, go.

Tricky words: Have a go at reading and spelling tricky words,

### Letters and Sounds

Teach your monster to read I have set up individual log ins for every child. If you need a log in, please email me via the class email.

### Reading

Try to practice reading every day and you could record it in your child's reading record book.

Resources:

Oxford Owl has got free electronic books online.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

Password: WoodsideD1

Read online books using [www.booktrust.org.uk](http://www.booktrust.org.uk) or [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) or [www.freechildrenstories.com](http://www.freechildrenstories.com) and [www.twinkl.co.uk](http://www.twinkl.co.uk) has some great stories as power-points with comprehension questions to go with them which are great – just select the year group and get going!

## Writing

### Communication and Language:

Following on from our work on mini beasts and life cycles, we would have been learning about the life cycle of butterflies and we would have read the story of The Very Hungry Caterpillar by Eric Carle. This greedy caterpillar liked to eat! He likes lots of different fruits and all sorts of other 'not so healthy if eaten too much' treats. This is a great way to begin discussions about food and our own likes and dislikes. We would have talked about healthy choices and why some foods are better for us than others.

In the past we have ordered live caterpillars to arrive and to observe in our classroom. You could take a look at the <https://www.insectlore.co.uk/> yourself and choose from a selection of live creatures and habitats to share at home with your family.

### Writing:

Can your child write their own story about a butterfly? This could be an adventure story or they could re-write the story of the Very Hungry Caterpillar.

## Maths

We use 'White Rose Maths' to teach maths in our school. To find daily lessons and activities log on to...

<https://whiterosemaths.com/homelearning/>

Click on Summer term, week 10.

### All other areas

[www.robinhoodmat.co.uk](http://www.robinhoodmat.co.uk)

The above link will take you to a site that has many ideas for all other areas of the curriculum. Click on the link above, click inspire, learning projects, scroll down to phase 2 projects and select 29<sup>th</sup> June under EYFS.

## Physical Development

I have already seen many of you are completing Joe Wicks PE lessons. 30 mins at 9am every day, with your family.

<https://www.youtube.com/channel/UCAxW1XTOiEJσOTYlRfn6rYQ>

You could also have a go at doh disco especially if your child finds using a pencils difficult. It helps to strengthen the muscles used in writing.
