Dormice Remote Learning Plan 1/2/21

This week I have included some mastery work in maths. These will allow your children to work on the objectives at an even greater depth. These tasks are not compulsory; use them if you feel your child needs more challenge.

Don't forget your child has an emile, phonics bug and teacher your monster to read account if you want more challenge. These sites allow your child to play games that are progressive.

In writing, if your child would like more challenge try spelling 2 syllable words like bedroom, farmyard etc.

On twinkl there are lots of interactive EYFS resources that you can do on the computer with your child,
