

Hello Year One & Year Two,

I hope you are all well and continuing to enjoy this lovely sunny weather. Now the lockdown has eased I hope you are able to see some more of your family and friends and get out and about a little more whilst trying to stay safe. Jasmine and Noah were very excited that Frozen 2 was released on Disney + on the weekend! At my house we have started a 'Holiday' themed topic for our last couple of weeks home schooling before the Summer holidays. We are going to look at how we travel to holidays, our favourite holiday places and our wish list of places we'd like to visit. Have any of you been to Over Farm to pick fruit? It's a great place with plenty of space so social distancing is easy! I think Jasmine and Noah ate lots of strawberries that day!! Please keep sending the emails with photographs as myself, Mrs Oliver and Mrs Fawkes love to see them. ([fallow-deer@woodside.gloucs.sch.uk](mailto:fallow-deer@woodside.gloucs.sch.uk))

Mrs Fawkes, Mrs Oliver, Mrs Hoare and I miss you lots and we are looking forward to when we are all able to be together again. Stay alert and stay safe!

From Mrs Jeavons

## Home learning for the week starting 13<sup>th</sup> July

Note for parents: if anyone is having difficulty printing anything off at home please contact the school office and we can help you with this. Also, if you longer have access to Twinkl please email me and I will send you the download.

### English

**Reading:** Don't forget....Aim to read every day! Read books or comics you have at home, even the tricky ones can be shared with someone at home. The links I have shared each week are still great so click away! [www.bbc.co.uk](http://www.bbc.co.uk) , [www.booktrust.org.uk](http://www.booktrust.org.uk) and don't forget CBeebies bedtime stories are great if you'd like to listen to a story. Last week I suggested a book review – I'd love to read some if you did one. Maybe this week you could send me a picture of you with your favourite book and email and tell me why. In our house Jasmine loves the Dork Diary books and Noah likes any books about Sharks!

**Spelling:** It's time now to check how well you know your common exception words that you have been working on – Mum or Dad maybe you could do a little test and let me know?

Phonic focus for Year One: words containing ear/air

Phonic focus for Year Two: homophones *their/there/they're* and *hear/here*

If you want to give your child spellings for the week just base your list around these focus sounds.

### **Writing:**

It would be good to have a go at writing a story and make sure you can still remember the important elements of this!

Year One's – beginning, middle and end, finger spaces, capital letters and full stops, connecting words to join two short phrases together and good adjectives.

Year Two's – beginning, middle and end, a good plot, capital letters, full stops, comma's, exclamation marks, question marks, adjectives, good connecting words, good spelling to reflect your phonics.

## Maths

White Rose is the website we base all of our school Maths lessons on and this is very easy for you to use at home too. There are daily videos and follow up worksheets you can print off for your child in their specific year group. Click on the links below to find the videos and the worksheets.

*Year one's and Year two's will be learning about time this week.*

## Science:

This week I'd like you to find out the most popular fruits we grow in England. Which are the most popular during July?

Time to get creative!

Can you draw or paint some of the things we grow in this country?

**CHALLENGE: Can you find an interesting recipe to help me use all my strawberries?**

Don't forget to send me photographs and emails using the [fallow-deer@woodside.gloucs.sch.uk](mailto:fallow-deer@woodside.gloucs.sch.uk) address.

Happy Learning!
