A message from Mrs A Davis, Chair of Governors

Dear Parents and Carers,

11.11.19

I am delighted to announce that due to the excellent practice at Woodside Primary School, we have been asked to enter into a temporary arrangement with a local school in order to provide leadership. Mrs M Davis will therefore have an Executive Headship role from January until August 2020, working in both Woodside Primary and Steam Mills Primary Schools.

Her role will be different to her current role and we will be appointing an internal Deputy Head to be the main point of contact and leadership here when she is at Steam Mills. You will still see Mrs Davis frequently, as every week she will split her time equally between the two schools.

We have had joint meetings with Governors from Steam Mills and discussed a lot of benefits of this arrangement. We are very confident that the partnership will be effective for our children here at Woodside. Both schools will continue to be run as individual schools and you will see very few changes to the day to day provision here.

We will update you again shortly and if you have any queries, please do not hesitate to get in touch with Mrs M Davis.

Mrs A Davis  
Chair of Governors
