

Arrangements for Parents' Evenings March 2023

Dear Parents/Guardians,

January 2023

Appointments are being arranged for **Wednesday 22nd March and Wednesday 29th March** The appointments are for ten minutes and are an opportunity for your child's teachers to share information

On the form below, please could you tick all the times when you would be available for a face to face meeting (*or by phone if preferred) and please return the form by **Friday 27th January 2023**. An appointment will then be made for you and the slip will be returned, time and date written on it. If you have more than one child in school, we will try to arrange appointments close together.

We will assume if a slip is not returned, an appointment to see your child's teacher is not required.

.....

Please tick to show all the times when you are available for an appointment
