

06.07.20 Home Learning

Hello Red Squirrels!

We are busy at school with year six children, helping them to prepare for secondary school and we are getting ready to see our year fives back in September- as our year sixes!

There are new activities on Emile for this week, so go there first for your home learning activities. If you have issues logging in, email or phone Mrs Matthews to check your details (gmatthews@woodside.gloucs.sch.uk or phone 542287).

Remember that you can email redsquirrels@woodside.gloucs.sch.uk if you have any comments or want to get in touch.

1. Do some of your Emile activities every day
2. Do the daily White Rose maths activity
<https://whiterosemaths.com/homelearning/year-5/>
<https://whiterosemaths.com/homelearning/year-6/> and a My Maths activity
3. Enjoy reading daily from your own book or choose one from:
<http://woodside.gloucs.sch.uk/wp-content/uploads/2020/03/Reading-Resources.pdf>
4. Practice your spelling daily from the list below (you can start with Week 1):
<http://woodside.gloucs.sch.uk/wp-content/uploads/2020/03/Year-5-spelling-for-theterm.pdf> <http://woodside.gloucs.sch.uk/wp-content/uploads/2020/03/Year-6-spelling-for-theterm.pdf>
5. The first science topic this term would have been about electricity, so work through some of these BBC Bitesize clips: <https://www.bbc.co.uk/bitesize/topics/z2882hv>

Here is information about this year's Summer Reading Challenge!

<https://summerreadingchallenge.org.uk/>

Have a lovely week!
