

Fallow Deer

OTHER INFORMATION

The children are doing well changing their reading books could you please prompt them to continue to choose the correct level.

Children are given time each morning to change their reading books in class.

We try hard to hear the children read as regularly as we can in school but reading at home is vital!

Spring, Term 5

Dear Parents and Carers,

Happy End of Term!

We are sending this out before the holidays as there are a few things changing with the weekly routine in Fallow Deer.

Please see our Topic overview on the website for all the details on our learning this term, We will be learning about Transport and how it has changed over time. If you have any photographs or anything that may help us with our learning please email us to let us know.

We will be doing lots of planting and growing in Science. The children will bring a planted seed home week one for you to grow and observe and keep a diary.

The children will need to wear their PE kits on Mondays and Year 2 children will also need to bring their swimming kits. Please ensure long hair is tied back and it would also be helpful for any earrings to be removed.

Throughout term 5 and 6 we are hoping to give the Fallow Deer children the opportunity to learn how to play the recorder by an external musician. Listen out for more details.

We are also hoping to have a trip very soon so listen out for more details.

As ever, if you would like to talk with us about any concerns please catch us after school or make an appointment through Gina.

Thank you for your support,

Mrs Oliver & Mrs Jeavons

Homework

Reading

Please continue to read at home **at least 3 times each week** and record so in the reading records. Children who do so get an owl on our reading tree on Friday. Reading in school does not go towards their reward.

Spellings

Spellings for Year 2 are on the website ready for tests **each Friday**. Your child will be told their score each Friday after their test.

Maths

Homework will be set each Friday based on that week's work. It will be either on a sheet or on My Maths. Please return the finished homework **by the following Wednesday**.
