## Hello Fallow Deer,

Well, we have completed our first week of home-learning in this new Lockdown and Mrs Oliver and Myself have been so pleased with the lovely emails and photos we've been receiving. Please keep them coming as it's lovely to see them. Thank you very much for your patience while we tweak things and make them the best that we can for you.

## fallow-deer@woodside.gloucs.sch.uk

Both of us were pleased to see lots of you enjoying the outdoors as this is so important for physical strength but also our brains! Time outside will help you work harder and concentrate when you're inside.

Here are some photos you have sent in - we hope you enjoy seeing your classmates and what they've been up to!

Eve has been writing some lovely Thank you cards, Millie working hard with her time in Maths and Ellyn has been enjoying a lovely Winter walk with her family.

We miss you lots and we are looking forward to when we are all able to be together again. Stay alert and stay safe!

From
Mrs Jeavons & Mrs
Oliver

## Home learning for the week starting 11th January

9.30- 10:00	Phonics/Spelling:	Phonics/Spelling:						
10.00	From this week Phonics/Spelling will look a little different!  Each day you can use the links below to watch a phonic video and join in with the activities on there. For Year One it is a dated activity. For Year Two it's time to revise all your sounds so you need to start from the top dated 7th September and work through daily.  Phonic focus for Year One: https://lettersandsounds.org.uk/for-home/year-1  Phonic focus for Year Two: https://lettersandsounds.org.uk/for-home/y2-phonics-screening-check-revision  Continue to work on the common exception words for Year 1 & 2 which you can find on google if you don't already have them and I have also included a little booklet you can print off for reinforcing these words. If you could choose a few of these to test your child on at the end of each week that would be great! Hopefully by February half term they should know them well!  You can also find some lovely Phonic games and activities on www.phonicsplay.co.uk and www.lettersandsounds.com  There are also plenty of things on YouTube. Pick a sound and you'll find a video!

**Reading:** Continue to aim to read every day! Read books or comics you have at home, even the tricky ones can be shared with someone at home. These websites are useful for online books:

www.bbc.co.uk

www.booktrust.org.uk

www.oxfordowl.co.uk

www.freechildrenstories.com

<u>www.twinkle.co.uk</u> has some great stories as power-points with comprehension questions to go with them which are great – just select the year group and get going!

CBeebies bedtime stories are great if you'd like to listen to a story.
