

*Hello Fallow Deer,*

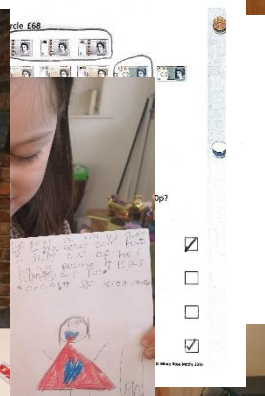

*Well done, you've made it to the last week of this half term of Home learning! Along with your parents you must be very proud and I hope during Half term you can spend some time celebrating all that you've achieved. We will try and sort some rewards/certificates out from school too. We have loved seeing your many photos and reading your emails. Keep sending them please to [fallow-deer@woodside.gloucs.sch.uk](mailto:fallow-deer@woodside.gloucs.sch.uk) Here are some photos you have sent in - we hope you enjoy seeing your classmates and what they've been up to!*

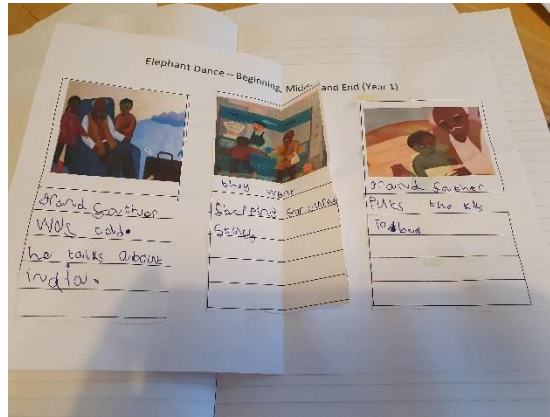

*We miss you lots and we are looking forward to when we are all able to be together again. Stay alert and stay safe!*

*From Mrs Jeavons & Mrs Oliver*

Now draw the outside of your house and label each part and the material it is made out of like this:</p>  <p>3. Talk to your adult about why certain materials have been chosen and ask your adult to scribe what you have said – for example, why do we use glass for windows?</p>	<p><b>Art &amp; DT</b> Create a collage of your house based on your Science work yesterday. This doesn't have to be giving money, it could be sharing toys, letting others play our games, looking after our pets. Draw a picture of 5 different ways that you can be generous.</p>	<p><b>Golden Time</b> Time for enrichment: Cooking, playing, walking, cycling, art, gardening, board games.</p>

**Reading:** I have emailed you about the new reading books online. Let me know if you have any problems with this. Some of you have asked to be moved up a level which I am trying to sort it.

Continue to aim to read every day! Read books or comics you have at home, even the tricky ones can be shared with someone at home. These websites are useful for online books:
