

Week beginning 08/02/2020

We are now at week six and it will soon be half term! A continued well done to everyone for trying so hard with your home learning. It is great seeing photos of your work and photos of you enjoying enrichment activities. Keep these coming!

Feedback forms are really helping me to understand how you are feeling and how you are finding lessons. Please complete them in detail.

It is very different in school without you all, but we are doing the exact same work here. Zoom meetings are helping us to stay connected and we're enjoying hearing about what you've been up to. Remember to have something to share each week.

Keep going Red Squirrels!
