

Week beginning 01/02/2020

We are now at week five – we are nearly there! Well done to everyone for trying so hard with your home learning. It is great seeing photos of your work and photos of you enjoying enrichment activities. Keep these coming!

Feedback forms are really helping me to understand how you are feeling and how you are finding lessons.

It is very different in school without you all, but we are doing the exact same work here. Zoom meetings are helping us to stay connected and we're enjoying hearing about what you've been up to.

Keep going Red Squirrels!

When a pigeon gets trapped inside the spy's briefcase all kinds of mayhem ensue.</p> <p>Retell the story using a comic strip. Remember to include all the features of a comic strip: illustrations, speech bubbles, short sentences, word boxes with onomatopoeia etc.</p>	<p>Re-watch the video. Create another mission involving Secret Agent Walter Beckett and it becoming spoilt by the pigeon.</p> <p>Write this as a short story. Remember to include description and action.</p> <p>Use figurative devices.</p>	<p>Write a discussion, looking at this question: Should we feed pigeons in the street?</p> <p>Think about the advantages and disadvantages of both.</p> <p>Include an introduction, reasons for and against and a conclusion where you can give your overall opinion.</p>	<p>Watch the video again. Focus on the key events that have happened.</p> <p>Write a news report on events, interviewing key witnesses etc.</p> <p>This can be recorded as a newspaper report or as a news script for a TV station.</p>	<p>Watch the video again. Is the pigeon simply trying to get fed or is it also a spy?</p> <p>Imagine it is a spy. What would it report back regarding Secret Agent Beckett? Would he be impressed by the Agent's response to destroy a missile or would he think that the spy is inadequate?</p>

Please send any photos of evidence of learning or photos of your children enjoying enrichment activities. We are creating a KS2 display of our children at home learning to stay connected. We will also be scheduling a weekly zoom meeting for Thursday pm.

There are a number of activities available on Emile and MyMaths as a top up.
