### Spring, term 6

Dear Parents and Carers.

We are continuing our 'Some Like it Hot' topic so please look on the school website for more information about individual subjects and Knowledge Organisers. These will give you the key points that your child needs to learn.

P.E. will continue to be taught this term by Pro-Stars on Thursdays. Please ensure that ear-rings are removed if they are able to be. Yoga still continues on Wednesday mornings and the girls usually like to wear their P.E. shorts beneath their summer dresses as this makes them feel more confident when trying different yoga positions.

There will be two Moving Up Mornings this term to help the children settle into their new year groups. We will also have additional activities for our year 2s in particular, to support them to become more comfortable with their new key stage in September.

This is a very busy, tiring term for the children and if you would like to talk with us about any concerns please catch us after school or make an appointment through Gina.

Thank you for your support,

Mrs Oliver, Mrs Bushell and Mrs Hoare.

### **Homework**

## Reading

Those children who read at least 3 times a week in Term 5 will be getting their reading certificates soon. Please continue to record your child's reads in their Reading Record ready for Friday.

## **Spellings**

Year 2 spellings are on the website ready for tests each Friday.

#### Maths

Work will be set on sheets or My Maths based on that week's maths topic. If you need a new sheet with the My Maths log ins, please get in touch and we'll send home another copy.
