

Key Vocabulary	
Timeline	A way of displaying events in the order they happened.
Chronology	The time order in which things happen.
Home	A place people live.
Detached	A house that stands alone, not connected to any others.
Semi-detached	A house connected to one other house.
Flat	A home connected to others above, below and to either side.
Bungalow	A house that has no upstairs.
Terraced	A house connected to lots of other houses.
Past	Times and events that have gone by.
Present	Things that are happening now.

Homes were very different in the past. Many items we have today did not exist in the past. We have many electrical items now, which help us do jobs quicker and more efficiently.

There are many types of houses. Here are just some!
You can find all sorts of houses in villages, towns and cities.
