

Fallow Deer

OTHER INFORMATION

For our topic on toys it would be lovely to have some 'old toys' for the children to look at and talk about - we would love you to send any you have in to school and we promise to look after them.

We are also looking for volunteers to come in and share their memories of toys they played with - parents and grandparents - please let us know if this is something you could help with.

Spring Term 3

Dear Parents and Carers,

Welcome back to Term 3! We hope everyone had a restful Christmas holiday. We wish to say a huge thank you for all the lovely gifts we received from the children at the end of term.

This term, we will begin a new topic 'Terrific Toys and Amazing Animals' - please see the website for the different objectives that we will be covering in each subject.

Yoga will continue to be on Wednesday morning and our PE session with the Pro-Star coaches will be on Thursday afternoon. Please remove your child's ear-rings, if possible, for each of these sessions.

There are many children who are coming to school wearing lace up trainers but we're finding that they are unable to tie their own laces. If your child does wear lace-up school shoes/boots, or trainers can you please teach them to tie their own laces. Thank you.

All the Year 1s will continue to have their daily half hour phonics sessions together but literacy will often be taught in their registration class.

Mrs Hoare is doing well and hopes to return to Fallow Deer sometime before Easter but while she continues to rehabilitate, Mr Bird will be carrying out her daily activities Monday - Thursday with Mrs Wilson working with us every Friday.

Thank you for your support,

Mrs Oliver and Mrs Bushell

Homework

Reading

Please continue to read **at least 3 times each week** and record in the reading records. Wise Owls are hung on our reading tree each Friday for those children who do so and certificates awarded for children who are regularly on our tree.

Spellings

Year 2 spellings are on the website ready for tests each Friday. This term they will link more closely to our ELS spelling lessons and children should be able to identify some patterns to help them.

Maths

Homework will continue to be set either on paper or through My Maths, linked to that week's work. It shouldn't take more than 20 minutes so please get in touch if your child is finding it a challenge.
