Summer Fayre

Our PTFA are busy arranging the summer fayre for Friday 5th July. Please be aware that children will need to be accompanied by an adult at all times and we are unable to allow dogs onto the site. Thank you for your co-operation with this. On **Monday July 1st** we will be holding a **non-uniform day** for the children and we are asking for donations for our fayre in lieu of payment. We would be really grateful for donations on the theme of Beauty, Bottles or Biscuits please. Anything that fits into those categories would be brilliant thank you!

Congratulations to Oliver who is the winner this week!

Internet Safety

You may have seen a post by Gloucestershire Constabulary about Whatsapp and groups that some 11 year olds are joining.

Police are urging parents to check the group WhatsApp settings on their children's phones after a number of 11 year olds in Gloucestershire were exposed to sexual violence and racist content.

Officers have received reports that children in the county have been automatically added to a group without their knowledge or permission. Once in the group, which has an American phone number prefix, they are encouraged to add everyone in their contacts and are then sent upsetting sexually violent and racist content. Group members are then warned that if they leave the chat, they will be found.

Police are now asking parents whose children use WhatsApp to check the settings on the messaging app so that they cannot be added to groups by unknown third parties.

The default setting in WhatsApp allows anyone to add a number to a group chat without needing permission.

To disable this, go to WhatsApp and follow these steps:

Go to Settings

> Privacy

> Groups

> Under 'who can add me to groups', select 'My contacts'

Parents are also advised to talk to their children and advise them not to view the chat if they have been added to the group and to block, delete and report the group to WhatsApp immediately.
