

## Ruardean Woodside Primary School PTFA Agenda - September 2024

### Aims and objectives

The Woodside PTFA is set up to encourage collaboration between the school and its parent community with an aim of improving the educational experience for every child.

One of its primary functions is raising funds to supplement the school's income, providing greater opportunities to pupils by extending the scope of the resources available to them and subsidising trips to ensure maximum participation.

This meeting is the first of the 24/25 school year and will focus on Halloween and Christmas events and fundraising opportunities. All parents and friends of the school are welcome to attend, bringing with them enthusiasm and new ideas.
