This term's school value is determination

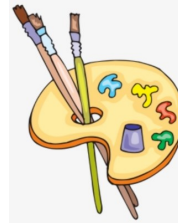

We hope that everyone has a well deserved rest during half term, ready for the run up to Christmas. We try very hard to keep everyone informed of dates and events through our newsletter, APP and website. Please do make sure that you check these regularly so that you are aware of what is going on in school. There are a few dates for 2025 already! After half term there may be a change in topic or theme for some subjects. New knowledge organisers and termly overviews will be available on our website for you to see what will be taught.

Relationships and Health Education (RHE)

Please be aware that some teachers will be starting to deliver the Relationships and Health Education sessions in the next term. Information about the scheme of work and policy can be found on the school website. Please do not hesitate to ask your child's teacher if you have any questions or wish to withdraw your child from the lessons.

Christmas art competition

Our wonderful PTFA are running a Christmas Art competition and we would love as many of you as possible to take part. This would be a great activity to do at home during half-term. Further guidance is available on our previous newsletter (please see the online version on our website) and we are really looking forward to seeing your entries on November 4th!

Congratulations to our certificate winners this week:

PTFA Film night

We'd like to say a huge thank you to everyone who supported the PTFA with their fundraising film evening this week. The children all sat in the hall to watch the film and eat their treats. We really do appreciate the parents who support events such as this, either by allowing their child to take part or by being one of the organisers/supervisors.
