

# PTFA UPDATE

DECEMBER 2025

## Thank you

Thank you for your support and participation this term.

A huge thank you to the parents who volunteered on the 15th October to help clear the nature area – we are really excited to get this project moving forwards in the New Year.

The Halloween Disco was a roaring success, raising a fabulous £460.

Sales of Christmas raffle tickets has raised a further £350.

Finally, a special thank you to the Old Scholars for their donation of £500 which has part funded this year's pantomime, meaning that the money that we would have spent will instead be directed into the nature area restoration project.

## Dates for the diary

Our next PTFA Meeting will be held on Wednesday 14 Jan at 2pm.

You are very welcome to attend. If you cannot make it but would like to submit an idea for consideration, please let Gina or Nicola in the office know and they will raise it on your behalf.

## 2026 Priorities

We are very keen to get the nature area restoration project completed so that it is safe, accessible and fun for all the children to enjoy next year.

We plan to hold fundraising events for Valentine's Day and Easter. More details available soon!

## Special Mention

Our nature area restoration project has been selected for funding via the Tesco Stronger Starts token scheme. Please pop a token in our box in Tesco in Cinderford between January and March 2026 to help us raise as much money as possible.

Improving this area will benefit all of the children at Woodside School, now and in the future.
