Well done to the children who brought in their football trophies and medals from a recent tournament. Frankie, Arthur, Reuben, Clay and Vinnie were all part of the winning team for their group, Arthur and Jaicob came 2nd in the tournament for their group. Theo brought in his medal from the tournament where his team won their group, he was also awarded player of the season and shared his trophy with us all. Bertie played in the same tournament but with a different team, he shared his medal for taking part and his rugby medal. Huge congratulations to Paige who has achieved her level 4 swimming certificate and badge. We are super impressed to learn that she is now swimming in the deep end!

Sports Day

We are looking forward to holding our Sports Day on our reserve day and will do so if at all possible. However, due to the recent unsettled weather, we may need to rearrange the event if conditions are unsafe or unsuitable. We will monitor the forecast closely and keep parents informed of any changes as early as possible.

Pathways

Children across KS2 are working hard as we continue our journey towards creating a fantastic learning environment. Recently, we have been focusing on two key areas: taking care of our school environment and lining up sensibly and respectfully. We are delighted to see significant improvements in both areas and are hopeful that we will soon be able to celebrate the children's success. Earlier in the term the children shared a range of ideas for how we might mark this achievement. Once our goals have been fully met, we will revisit these suggestions and make a decision together as a group. Thank you for your continued support in helping us encourage positive habits and high standards across Key Stage 2.

World Ocean Day and recycle awareness month

Article 24- Children have the right to food, clean water and clean air.

Individual liberty

Shine

We've noticed some lovely manners from our children this week. There have been lots of pleases and thank yous which have been lovely to hear. We have lots of helpful children holding doors open and being responsible for milk, fruit and supporting classes in assembly. We do ask children to be polite and respectful as part of our shine rules. Thank you for supporting this at home too.

PTFA Summer Fayre

Our annual PTFA summer fayre is being held 3.30-5.30pm on 3rd July. We are seeking volunteers from our lovely community to help us raise as much as we can. We need people to run stalls, help with face painting and the penalty shoot out.

Please speak to a member of the PTFA or contact the school office if you are able to help. Thank you!

Being in school every day isn't just important for their learning, it also helps children **build confidence**, **settle in** and feel like they **belong**.
